Dear Sir:

Please reconsider the above-referenced patent application.

As this response is filed within the 3-month period set for response, it is not believed any extension of time fees or other fees are due. However, should any fees be due, this office is authorized to deduct such fees from Deposit Account No. 501922, referencing attorney docket 872-0155US1.

This response is being re-submitted in response to an inquiry from Examiner Duc Dinh of October 29, 2007 (see attached e-mail), in which the Examiner noted to Applicant that the originally-filed response was did not comply with rules pertaining to the proper methods for making amendments in reissue applications. This re-submission addresses those concerns.

The Examiner also noted that Applicant should have filed a Supplemental Declaration with this response, which is now included.
